### ***Introducers Pack***

---

Belgravia Estates Ltd will pay a 1% commission to any individual who introduces property buyers to the Company. The commission will be paid on exchange of contracts on any of the Company's property developments in the Turkish Republic of Northern Cyprus.

For example a property sold at £60,000 would attract a commission of £600 rising to £1,500 on a £150,000 property.

The introducer only has to explain to the potential buyer who we are, where we are and what we do. You can visit our web site at [www.belgraviaestates.co.uk](http://www.belgraviaestates.co.uk) to get all the information you need. You will then need to phone, fax or e-mail the contact details of the potential buyer with their knowledge and agreement to one of our partners and we will do the rest.

That's all there is to it !
